Q32 Imagine a ladder representing the different social strata in Germany. At the top of the ladder, on the tenth rung, are the people who are doing best: They have the most money, the best education, and a highly prestigious job. At the bottom of the ladder, on the first rung, are the people who are doing the worst: They have the least money, the lowest level of education, and are unemployed or have a job that no one wants or respects. Please think about where you currently stand on the ladder. On a scale of 1 (bottom) to 10 (top), please indicate which rung of the ladder corresponds to your current position in society.   Q:[1]

Temporary page!

LaTeX was unable to guess the total number of pages correctly. As there was some unprocessed data that should have been added to the final page this extra page has been added to receive it.

If you rerun the document (without altering it) this surplus page will go away, because LaTeX now knows how many pages to expect for this document.
